PROFESSIONAL SUMMARY

Senior Full-Stack Engineer with 6 years of experience architecting distributed cloud applications, high-throughput REST APIs, and reactive web applications. Passionate about clean architecture, developer tooling, and mentoring junior engineers.

CORE SKILLS

- Programming Languages: Python, TypeScript, JavaScript, SQL, HTML5, CSS3
- Frameworks & Libraries: FastAPI, React, Next.js, Django, Tailwind CSS, SQLAlchemy
- Databases & Storage: PostgreSQL, Redis, MongoDB, SQLite
- DevOps & Cloud: Docker, Kubernetes, AWS (ECS, S3, RDS), CI/CD, Git

PROFESSIONAL EXPERIENCE

Senior Full-Stack Engineer

Apex Cloud Technologies | San Francisco, CA

2021-06 to Present

- Spearheaded the redesign of core customer dashboard using React 18, TypeScript, and Tailwind CSS, reducing page load times by 42%.
- Built high-concurrency microservices using Python 3.11 and FastAPI backed by PostgreSQL, handling over 12,000 requests per minute with 99.98% uptime.
- Implemented asynchronous task workers and caching with Redis, reducing database read latency by 65%.
- Containerized development and production environments using Docker and orchestrated deployments on AWS ECS with GitHub Actions CI/CD.
- Mentored a team of 4 software engineers and established rigorous unit testing and automated code review guidelines.

Full-Stack Software Engineer

Nexis Data Solutions | San Jose, CA

2018-08 to 2021-05

- Developed modular RESTful APIs using Python, FastAPI, and SQLAlchemy with PostgreSQL for enterprise data analytics.
- Built interactive frontend data visualization dashboards in React, TypeScript, and Chart.js.
- Automated deployment scripts with Docker and maintained integration test suites achieving 88% code coverage.
- Optimized slow PostgreSQL queries, indexing strategy, and connection pooling, boosting query execution performance by 3.5x.

EDUCATION

Master of Science in Computer Science

Stanford University | Stanford, CA

Graduation Year: 2018

Bachelor of Science in Software Engineering

University of California, Berkeley | Berkeley, CA
Graduation Year: 2016

CERTIFICATIONS

- AWS Certified Solutions Architect - Associate (2022)
